

Invitation to WICMA symposium delegates for 38th FCBM Conference to be held at Kolkata from 18-20th December, 2009 by Hemant Saraogi, President EICMA at Fariyas, Lonavala on 11th September, 2009.

Friends,

I am sure you are enjoying here, but this is only the trailer, this reminds me about the filmy dialogue - *PICTURE TO ABHI BAKI HAI MERE DOST*. Director Sahib – Pankaj Bhai has told me confidentially that *ASLI SESSION TO KOLKATA MEIN HI HOGA*.

Friends I have come here with the very selfish motive, number 1 - to see what my WICMA friends are doing in this symposium. No. 2 - to sell the tickets of our picture by inviting you to the 38th FCBM Conference at Kolkata in December 2009.

No doubt local seminars, symposiums have their own advantages & charm. Nevertheless National Show has its own merits. Cosmopolitan crowd & learned veterans from all over the India gives you broader picture of the industry. Here we have heard the wisdom of Sri B.A. Shah, where as in FCBM Conference, we can have *ashirvad* from AB Sahib , SS Raju Sahib , Sri Mehraji , Annamalai Sahib & many others.

With the time when communication & traveling has become easy and less taxing, one must attend our own FCBM - Annual event.

Friends, Brochures with complete details are ready and it should reach you in week's time. I have carried few with me, some of them has been distributed, rest I am keeping at help desk for those who are immediately interested.

We have built a comprehensive Conference Web portal which contains the complete information about the forth coming FCBM Conference. You can conveniently online register yourself & transfer the amount to Conference account form your E banking module & mail the photograph. Everything can be done in less than 5 minutes & you will get the instant acknowledgement from us on mail as well as through SMS.

There are many details which we have rediscovered like photographs of past conferences, details of past award winners, about galaxy of past presidents etc. etc. These rare documents were

available either with veterans or at dusty cupboard of FCBM office. Our dedicated Web Team made it possible for younger generation on their Desk Top through our website www.eicbma.com

You must be aware that Conference Venue - ITC Kolkata, one of the prime properties of India has been clinched by us at unbelievable rates. The rates are little less than Rs 6000/- . Friends we are getting overwhelming response for ITC & it is fast filling. Apart from ITC for those who will be registering late we do have other viable options also.

The theme of the conference is QUALITY @ COST. Our own experienced Pankaj Bhai is heading TECHNICAL Committee and he has shared some of his innovative thoughts in the last meeting, I am sure our technical sessions has to be interesting & fruitful. He has somehow managed to get the confirmation of speaker from Belgium which will be real treat for serious delegates.

Knowing Pankaj Bhai for so many years , he believes in serious business , after he makes us drained out from taxing TECHNICAL SESSIONS, there are adequate arrangements for relaxing sessions to recharge our batteries with interesting Cultural programmes. More over we have arranged pilgrimage tour to our *gram Devi Ma Kali Temple & Dakhineswar* also.

Personally I was surprised to see that even before we approached the stake holders of the industry for sponsorships we received the impromptu response from overseas vendors' especially Chinese machine manufacturers. Somehow I felt when *VILAYTIS* are seeing opportunity to promote their product, while their counterparts in India are lagging behind to participate in this national show, I am sure they will catch up now. We have created opportunity suiting all types of pocket and assure them to give complete value for the every penny spend on the conference.

Friends, I have enjoyed every moment of my stay & convinced that WICMA TEAM can not only under take useful R & D project but can also execute Cultural evening projects with perfections. Friends, Your message last evening was very bold & clear that - *TERI MEHFIL MEIN AAKE HUM BHI DEKHEGE HAAN JI HAAN HUM BHI DEKHEGE.*

Sir, *Aap sab ka swagat hai aur hamein aapka intazar rahega.*

Friends, we would have love to host you people more frequently, but unfortunately our chance to host FCBM conference comes once in fourteen years, so we will do everything so that you remember us for at least next fourteen years to come.

With these words I once again invite you for the 38th FCBM conference and will be pleased to answer your query if any.

Thank You. !!!
