

**Gratitude/Farewell Speech By President Sri Hemant Saraogi**

**At**

**38<sup>th</sup> AGM On 20<sup>th</sup> August 2010**

Friends,

Before I hand over the Chair to the new president, let me confess, during mine stay as president in last three years I have exploited my colleagues office bearers to the utmost extend.

Dynamic Milan was always an asset on whom I could count upon any day any time. I personally would have love to see him on the dais but also appreciate the fact, the irreparable loss he has faced, On behalf of everybody here we give him one year time to re-gather and consolidate himself.

Somber Bharatji, nothing said is better, I had to dream only, my work was over, knowing his meticulous working and without discounting the abilities of Mohit, I can safely say – Bharatji is the best Hony. Secretary EICMA has produced till date.

Although Chokhaniji has changed a bit after he has become the moneyed man otherwise in one word my Treasurer is a treasure A GEM.

I will be always thankful to all of them and also like to register my gratitude on the records of the association.

Before we part; I would like to present mementoes to mine friends as a token of remembrance.

Friends, it gives me immense pleasure to hand over the chair to Sri Bharat Kedia, A HARLAKA AWARD WINNER, also the FCBM TAXATION COMMITTEE CHAIRMAN, which itself is a key post as icons like Sri M.K.Mehta , A B Sahib , Sri P D Shah and our Agarwalji has headed this committee in the past.

15<sup>th</sup> August has just gone, it reminds me the beautiful song .....

*AB TUMAHARE HAVALA YEH EICMA SATHION*

With these words I take your Leave. Thank You!!!
