

WELCOME SPEECH AT PRESS MEET BY HEMANT SARAOGI ,  
PRESIDENT EICMA AT ITC SONAR ON 17.12.09

Dear friends from the media,

It gives me great pleasure to welcome you all to this Press Meet arranged on the occasion of the 38<sup>th</sup> FCBM Conference, for which our association EICMA is privileged to play the host.

Thank you for responding to our request and attending this Press Meet.

Our Association is a group of industrialists engaged in the manufacture of corrugated packaging – a vital mode for transportation of products from the point of manufacture to the point of consumption. We help consumers to enjoy the products manufactured any where in the country and across the world.

We are a 115 member strong Association of the Federation and have always played an active role in the affairs of the Federation.

Some of our members are veterans of this industry and have led the Federation in the past.

We are happy that our respected member Shri R.G. Agarwala will be taking the reigns of FCBM this year- As President FCBM.

Delegates, speakers and exhibitors from all over India and the world have congregated here in our beloved city of Kolkata. In the next 3 days, Technical Sessions and interactive discussions and deliberations will be held.

We have also organized an Exhibition ‘CORRUPACK’ – where leading companies have showcased latest developments related to our industry.

As President of EICMA, I take pleasure in inviting you to the Inaugural Programme tomorrow and to the CORRUPACK Exhibition.

Thank you.
