

National Conference on The Future of Packaging

Innovate . Integrate . Inspire

26th & 27th February, 2026
Hotel ITC Sonar, Kolkata

The National Conference on "Future of Packaging: Innovate-Integrate-Inspire" focuses on emerging industry trends shaping next-generation packaging. It brings together industry leaders, policymakers, technologists, and researchers to deliberate on smart packaging, digital transformation, anti-counterfeit technology, sustainability, and circular economy solutions. The conference emphasizes regulatory readiness, EPR compliance, advanced recycling, and skill development to strengthen industry competitiveness. With strong industry-academia collaboration, the event aims to inspire innovation and enable practical, scalable packaging solutions for evolving global markets.
